Pineapple Pumpkin Enzyme Peel

\$95

Pineapple Pumpkin Enzyme Skin Peel, Enhanced with Papaya Extract & Alpha Hydroxy Acids.

Hyaluronic Acid Peel Serum

\$65

100% Pure Clinical Strength Anti Aging Formula! Plumps and Hydrates Skin, Reduces Wrinkle -All Natural Moisturizer.

Salicylic Acid Peel

\$105

Enhanced with Tea Tree Oil & Green Tea Extract. Ideal for Breakouts, Blackheads, Hyperpigmentation, Enlarged Pores, Whiteheads, Sun Damage, and Oily Skin types.

Lactic Acid Peel

\$115

Enhanced with Kojic Acid & Bearberry Extract. Ideal for Age Spots, Freckles, Sun Spots, Skin Lightening, Hyperpigmentation, Wrinkles and Fine Lines.

Glycolic Acid Peel

\$135

Glycolic Acid is able to penetrate the skin, allowing it to effectively dissolve the "glue" that holds dead cells on the surface of the skin.

TCA Chemical Peel

\$285

TCA is a powerful exfoliator used to remove dead skin cells on the surface of the skin and decrease the appearance of Scars, Wrinkles, and Fine Lines associated with premature aging.

VI Peel

\$175 - \$345

This peel works to reduce pigmentation and skin redness. It also brightens skin for a more even skin tone, prevents future pigmentation production and reduces skin damage from sun exposure.
